

Our purpose is to facilitate the development of emerging female professionals by utilizing the experiences and skills of established community leaders; to extend a hand-up to the women who will follow.

"The EmBe Women's Leadership program has been an empowering experience on my lifelong journey to be my best self. As a woman in a male dominated industry, it has been an incredible experience to build relationships with women in fields I would have scarcely crossed paths with otherwise. They inspire me and we support each other in ways that set the groundwork for defining leadership on a personal level and becoming better leaders within our families, organizations, community and/or state." - **Sara Lum, 2018 Program Participant**

EmBe continues to be at the forefront of empowering women leaders through this inspiring program by supporting participants in the Women's Leadership program with:

+ Development

Personal and professional development growth to support leadership brand and career direction.

+ Networking

Ongoing opportunities and community event participation.

+ Impact

How to take the lead in shaping conversations about your career.

+ Mentoring

Utilizing personal and professional relationships with other future leaders, mentors and facilitators for lifetime support.

Mentors Needed:

If you have a passion for the development of others and want to extend a hand to those who will follow, we invite you to apply to become a mentor in the Leadership Program. This is a once-a-month minimum commitment for a 12-month period running May 2020 to May 2021.

Applications available at www.embe.org/leadership

For more information, contact Erin Bosch at EmBe,
605.782.9303 or ebosch@embe.org

Details

You will be assigned a mentor, if you don't already have one, to support and guide you through the first 12 months of the implementation of your personal development plan.

Application Deadline—Monday, October 21 by 5 pm to Erin Bosch

Register online at www.embe.org/leadership

There is a \$30 non-refundable application fee. Please include a check or billing information with application.

+ **Class Size:** 25

+ **Cost:** \$500 plus applicable tax.

The program fee is payable at the time of acceptance and is non-refundable. Participants who are selected but fail to meet the time commitment are dropped from the program and will not receive a refund. Open to all women who are interested in expanding their leadership potential.

Commitment: Participants are expected to attend the retreat and all sessions.
