## EXPERIENCE THE ADVANTAGE AT EMBE EDUCATION

Be part of something groundbreaking—enroll now at EmBe Education–Heritage! This is more than just childcare; it's an investment in your child's future and a bold step forward for the future of education. As the inaugural year of our new center exclusively for Harrisburg School District staff, you'll join a first-of-its-kind solution made possible by a district-backed grant and the vision of local educators. With our on-site learning lab, high school students explore careers in education while learning alongside early childhood professionals—creating a unique environment where your child learns, and future teachers do too. Let's shape the future, together.

- Our education program focuses on development through intentional curriculum, environments and character growth
- 7 am - 4:30 pm, care during the school year makes our program more accessible for parents in the education field. EmBe Education–Heritage will offer extended hours until 5:30p as needed! Just note your needs on the enrollment form!
- A robust nutrition program with locally sourced meat, fresh and frozen fruits, vegetables, dairy and whole grains included in every meal.

## ABOUT OUR PROGRAM

From four weeks to 5 years of age, we will engage your child in exciting learning activities specifically designed to meet their developmental needs. Our curriculum emphasizes language and literacy, cognitive development, social-emotional skills, creativity and physical exercise. We also go beyond basic curriculum by instilling positive traits that will lead to a lifetime of success through our life-skills programs.
