

EmBe EDUCATION

The EmBe Education Advantage

MORE THAN DAYCARE

Experience the advantage at EmBe Education.

- All-day childcare and preschool make our program more accessible and affordable for parents.
- From four weeks to 5 years of age, we will engage your child in exciting learning activities specifically designed to meet their developmental needs.
- A robust nutrition program with locally sourced meat, fresh and frozen fruits, vegetables, dairy and whole grains included in every meal.
- Our preschool program focuses on development through intentional environments, Kindergarten readiness, and character growth through our proven curriculum model.

Enrollment for EmBe Education-Madison is open!

Visit embe.org/childcare for more program information.
