ENROLLMENT OPTIONS TO SERVE YOUR FAMILY BEST

We believe there is dignity in providing for one's family, and scholarships create opportunities that remove barriers for families to do so. We know that life and living expenses can be overwhelming, and we're here to ensure that reliable childcare is accessible to all.

CHILDCARE ASSISTANCE (CCA)

- Child Care Assistance is a federal subsidy program administered by the Department of Social Services that helps with childcare tuition costs.
- Their subsidy **may cover up to 100% of your tuition cost!**
- Not all providers accept Child Care Assistance. Not only does EmBe accept it, but we also have team members dedicated to aiding you through the application process and the program.
- Since you cannot apply for CCA until 30 days prior to the child's start date in our program, please reach out to Sadie Mudder on our team via the contact information below to discuss potential eligibility. You can still enroll at EmBe today.
- **We highly encourage you to apply!** If it's your family's first time applying, or you are unsure if you qualify, reach out to Sadie Mudder on our team via the contact information below.

EMBE SCHOLARSHIP

- Our EmBe Education Scholarship Fund is available to those in the middle-middle, who do not qualify for Child Care Assistance but are still in need of financial assistance.
- **Our Scholarship Fund can help cover up to 20% of your tuition cost.**
- EmBe also offers scholarships to help cover application fees to enroll at an EmBe location.

SPECIAL CIRCUMSTANCE

- Our Special Circumstance Scholarship is typically a temporary scholarship designed to assist an EmBe family for a period of time to help with extenuating circumstances. Sometimes that is to help during medical crises, loss of job, or other factors. Reach out to Sadie Mudder on our team, and she can assist you!

OTHER EMBE OPPORTUNITIES

- **Come work with EmBe and receive a tuition discount!** Full-Time Employees (30 hours+/week) receive a 65% discount. Part-time employees (10 hours+/week) receive a 30% discount. This can be used in tandem with CCA. To apply, go to embe.org/careers!
